1. In accordance with the requirements of the Education (Welfare) Act 2000 and the code of behaviour guidelines issued by the NEWB, the Board of Management of Carysfort National School has **adopted the following anti-bullying policy** within the framework of the school's overall code of behaviour. This policy fully complies with the requirements of the Anti-Bullying Procedures for Primary and Post-Primary Schools which were published in September 2013.

2. The Board of Management recognises the very serious nature of bullying and the negative impact that it can have on the lives of pupils and staff and is therefore fully committed to the following **key principles of best practice** in preventing and tackling bullying behaviour:

**(a) A positive school culture and climate which**

- is welcoming of difference and diversity and is based on inclusivity
- encourages pupils to disclose and discuss incidents of bullying behaviour in a non-threatening environment and
- promotes respectful relationships across the school community

**Key elements of a positive school culture:**

- The school acknowledges the right of each member of the school community to enjoy school in a secure environment.
- The school acknowledges the uniqueness of each individual and his/her worth as a human being.
- The school promotes positive habits of self-respect, self-discipline and responsibility among all its members.
- The school prohibits vulgar, offensive, sectarian or other aggressive behaviour or language by any of its members.
- The school has a clear commitment to promoting equity in general and gender equity in particular in all aspects of its functioning.
- The school has the capacity to change in response to pupils' needs.
- The school identifies aspects of curriculum through which positive and lasting influences can be exerted towards forming pupils' attitudes and values.

- The school takes particular care of "at risk" pupils and uses its monitoring systems to facilitate early intervention where necessary and it responds to the needs, fears or anxieties of individual members in a sensitive manner.
- The school recognises the need to work in partnership with and keep parents informed, on procedures to improve relationships on a school-wide basis.
- The school recognises the role of parents in equipping the pupil with a range of life-skills.
- The school recognises the role of other community agencies in preventing and dealing with bullying.
- The school promotes habits of mutual respect, courtesy and an awareness of the interdependence of people in groups and communities.
- The school promotes qualities of social responsibility, tolerance and understanding among all its members both in school and out of school.
- Staff members share a collegiate responsibility, under the direction of the Principal, to act in preventing bullying/aggressive behaviour by any member of the school community.

**(b) Effective leadership**

**(c) A school-wide approach**

**(d) A shared understanding of what bullying is and its impact**

**(e) Implementation of education and prevention strategies (including awareness raising measures) that**

- build empathy, respect and resilience in pupils
- explicitly address the issues of cyber-bullying and identity-based bullying including in particular, homophobic and transphobic bullying

**(f) Effective supervision and monitoring of pupils**

**(g) Supports for staff**

**(h) Consistent recording, investigation and follow up of bullying behaviour (including use of established intervention strategies) and**

**(i) On-going evaluation of the effectiveness of the anti-bullying policy.**

3. In accordance with the *Anti-Bullying Procedures for Primary and Post-Primary Schools* bullying is defined as follows:

**Bullying is unwanted negative behaviour, verbal, psychological or physical conducted, by an individual or group against another person (or persons) and which is repeated over time.**

The following types of bullying behaviour are included in the definition of bullying:

- deliberate exclusion, malicious gossip and other forms of relational bullying,
- cyber-bullying and
- identity-based bullying such as homophobic bullying, racist bullying, bullying based on a person's membership of the Traveller community and bullying of those with disabilities or special educational needs.

Isolated or once-off incidents of intentional negative behaviour, including a once-off offensive or hurtful text message or other private messaging, do not fall within the definition of bullying and should be dealt with, as appropriate, in accordance with the school's code of behaviour.

However, in the context of this policy, placing a once-off offensive or hurtful public message, image or statement on a social network site or other public forum where that message, image or statement can be viewed and/or repeated by other people will be regarded as bullying behaviour.

Negative behaviour that does not meet this definition of bullying will be dealt with in accordance with the school's code of behaviour.

4. The relevant teacher(s) for investigating and dealing with bullying is (are) as follows:

The Relevant Teachers in this school are:

Principal: Mrs Norma Linehan

Deputy Principal: Ms Aideen Kennelly

Class Teachers:

Class Teachers will be the relevant teacher in investigating any alleged case of bullying in the early stages.

**Any teacher may act as a relevant teacher if circumstances warrant it.**

5. The education and prevention strategies (including strategies specifically aimed at cyberbullying, homophobic and transphobic bullying) that will be used by the school are as follows:

## Sample Education and prevention strategies

### School-wide approach

- A school-wide approach to the fostering of respect for all members of the school community.
- The promotion of the value of diversity to address issues of prejudice and stereotyping, and highlight the unacceptability of bullying behaviour.
- The fostering and enhancing of the self-esteem of all our pupils through both curricular and extracurricular activities. Pupils will be provided with opportunities to develop a positive sense of self-worth through formal and informal interactions.
- Whole staff professional development on bullying to ensure that all staff develops an awareness of what bullying is, how it impacts on pupils' lives and the need to respond to it - prevention and intervention.
- School wide awareness raising and training on all aspects of bullying, to include pupils, parent(s)/guardian(s) and the wider school community. (e.g. talks for parents/pupils on Stay Safe, Internet Safety/Cyberbullying).
- Supervision and monitoring of classrooms, corridors, school grounds, school tours and extra- curricular activities. Non-teaching and ancillary staff will be encouraged to be vigilant and report issues to relevant teachers. Supervision will also apply to monitoring student use of communication technology within the school.
- Buddy system and other student support activities that can help to support pupils and encourage a culture of peer respect and support.
- Development and promotion of an Anti-Bullying code for the school - displayed publicly in classrooms and in common areas of the school.
- The school's anti-bullying policy is discussed with pupils and all parent(s)/guardian(s) are given a copy as part of the Code of Behaviour of the school upon entry. It is also available on request from the Office.
- The implementation of regular whole school awareness measures including posters, competitions, group assemblies etc.
- Encourage a culture of telling, with particular emphasis on the importance of bystanders. In that way pupils will gain confidence in 'telling'. This confidence factor is of vital importance. It should be made clear to all pupils that when they report incidents of bullying they are not considered to be telling tales but are behaving responsibly.
- Ensuring that pupils know who to tell and how to tell, e.g.:
  - Direct approach to teacher at an appropriate time, for example after class.
  - Hand note up with homework.
  - "Worry box" for older children
  - Get a parent(s)/guardian(s) or friend to tell on your behalf.
  - Ensure bystanders understand the importance of telling if they witness or know that bullying is taking place.
  - Identify clear protocols to encourage parent(s)/guardian(s) to approach the school if they suspect that their child is being bullied.

- Ensure children and parent(s)/guardian(s) agree and sign the Acceptable Use Policy (AUP).

#### **Implementation of curricula**

- The implementation of the SPHE curriculum according to our school plan including the RSE and Stay Safe Programmes.
- School wide delivery of lessons on bullying from evidence based programmes, e.g. Stay Safe Programme, The Walk Tall Programme, Webwise Teacher's Resources
- Delivery of the Garda SPHE Programmes at primary level. These lessons, delivered by Community Gardaí, cover issues around personal safety and cyber-bullying
- The school will specifically consider the additional needs of SEN pupils with regard to programme implementation and the development of skills and strategies to enable all pupils to respond appropriately.

#### **Links to other policies**

- Please read the school's policy documents on Code of Behaviour, Child Protection policy, Supervision of pupils, Acceptable Use policy, etc.

6. The school's procedures for investigation, follow-up and recording of bullying behaviour and the established intervention strategies used by the school for dealing with cases of bullying behaviour are as follows:

**The primary aim in investigating and dealing with bullying is to resolve any issues and to restore, as far as is practicable, the relationships of the parties involved (rather than to apportion blame).**

**The school's procedures must be consistent with the following approach.**

Every effort will be made to ensure that all involved (including pupils, parent(s)/guardian(s)) understand this approach from the outset.

#### **Reporting bullying behaviour**

- Any pupil or parent(s)/guardian(s) may bring a bullying incident to any teacher in the school.
- All reports, including anonymous reports of bullying, will be investigated and dealt with by the relevant teacher.
- Teaching and non-teaching staff such as secretaries, special needs assistants (SNAs), caretakers, cleaners must report any incidents of bullying behaviour witnessed by them, or mentioned to them, to the relevant teacher;

#### **Investigating and dealing with incidents:**

In investigating and dealing with bullying, the (relevant) teacher will exercise his/her professional judgement to determine whether bullying has occurred and how best the situation might be resolved.

- Parent(s)/guardian(s) and pupils are required to co-operate with any

investigation and assist the school in resolving any issues and restoring, as far as is practicable, the relationships of the parties involved as quickly as possible.

- Teachers should take a calm, unemotional problem-solving approach.
- Where possible incidents should be investigated outside the classroom situation to ensure the privacy of all involved.
- All interviews should be conducted with sensitivity and with due regard to the rights of all pupils concerned. Pupils who are not directly involved can also provide very useful information in this way.
- When analysing incidents of bullying behaviour, the relevant teacher should seek answers to questions of what, where, when, who and why. This should be done in a calm manner, setting an example in dealing effectively with a conflict in a non-aggressive manner.
- If a group is involved, each member should be interviewed individually at first. Thereafter, all those involved should be met as a group. At the group meeting, each member should be asked for his/her account of what happened to ensure that everyone in the group is clear about each other's statements.
- Each member of a group should be supported through the possible pressures that may face them from the other members of the group after the interview by the teacher. It may also be appropriate or helpful to ask those involved to write down their account of the incident(s).
- In cases where it has been determined by the relevant teacher that bullying behaviour has occurred, the parent(s)/guardian(s) of the parties involved should be contacted at an early stage to inform them of the matter and explain the actions being taken (by reference to the school policy). The school should give parent(s)/guardian(s) an opportunity of discussing ways in which they can reinforce or support the actions being taken by the school and the supports provided to the pupils.
- Where the relevant teacher has determined that a pupil has been engaged in bullying behaviour, it should be made clear to him/her how he/she is in breach of the school's anti-bullying policy and efforts should be made to try to get him/her to see the situation from the perspective of the pupil being bullied.
- It must also be made clear to all involved (each set of pupils and parent(s)/guardian(s)) that in any situation where disciplinary sanctions are required, this is a private matter between the pupil being disciplined, his or her parent(s)/guardian(s) and the school.

#### **Follow up and recording**

- In determining whether a bullying case has been adequately and appropriately addressed the relevant teacher must, as part of his/her professional judgement, take the following factors into account:
  - Whether the bullying behaviour has ceased
  - Whether any issues between the parties have been resolved as far as is practicable
  - Whether the relationships between the parties have been restored as far as is practicable

-Any feedback received from the parties involved, their parent(s)/guardian(s) or the school Principal or Deputy Principal

- Follow-up meetings with the relevant parties involved should be arranged separately with a view to possibly bringing them together at a later date if the pupil who has been bullied is ready and agreeable.
- Where a parent(s)/guardian(s) is not satisfied that the school has dealt with a bullying case in accordance with these procedures, the parent(s)/guardian(s) must be referred, as appropriate, to the school's complaints procedures.
- In the event that a parent(s)/guardian(s) has exhausted the school's complaints procedures and is still not satisfied, the school must advise the parent(s)/guardian(s) of their right to make a complaint to the Ombudsman for Children.

### **Recording of bullying behaviour**

It is imperative that all recording of bullying incidents must be done in an objective and factual manner.

The school's procedures for noting and reporting bullying behaviour are as follows:

#### **Informal - pre-determination that bullying has occurred**

- All staff must keep a written record of any incidents witnessed by them or notified to them. Consideration needs to be given to where the records will be made e.g. incident book. All incidents must be reported to the relevant teacher.
- While all reports, including anonymous reports of bullying must be investigated and dealt with by the relevant teacher, the relevant teacher must keep a written record of the reports, the actions taken and any discussions with those involved regarding same.
- The relevant teacher must inform the principal of all incidents being investigated.

#### **Formal Stage 1- determination that bullying has occurred**

- If it is established by the relevant teacher that bullying has occurred, the relevant teacher must keep appropriate written records which will assist his/her efforts to resolve the issues and restore, as far as is practicable, the relationships of the parties involved.
- The school has decided that all written records (as outlined below in Formal Stage 2) will be stored in a file in the Principal's Office.

#### **Formal Stage 2-Appendix 3 (From DES Procedures)**

The relevant teacher must use the recording template known **Appendix 3** to record the bullying behaviour in the following circumstances:

a) in cases where he/she considers that the bullying behaviour has not been adequately and appropriately addressed within 20 school days after he/she has determined that bullying behaviour occurred, and

b) Where the school has decided as part of its anti-bullying policy that in certain

circumstances bullying behaviour must be recorded and reported immediately to the Principal or Deputy Principal as applicable.

When the recording template is used, it must be retained as outlined above.

#### **Established intervention strategies**

- Teacher interviews with all pupils
- Negotiating agreements between pupils and following these up by monitoring progress. This can be on an informal basis or implemented through a more structured mediation process
- Working with parent(s)/guardian(s) to support school interventions
- No Blame Approach
- Circle Time
- Anti Bullying Programme and Awareness Raising throughout the school year.

7. The school's programme of support for working with pupils affected by bullying is as follows:

- All in-school supports and opportunities will be provided for the pupils affected by bullying to participate in activities designed to raise their self-esteem, to develop friendships and social skills and build resilience e.g.
  - Pastoral care system
  - Buddy system
  - Care Team
  - Group work such as circle time
- If pupils require counselling of further supports the school will endeavour to liaise with the appropriate agencies to organise same. This may be for the pupil affected by bullying or involved in the bullying behaviour.
- Pupils should understand that there are no innocent bystanders and that all incidents of bullying behaviour must be reported to a teacher.

#### **8. Supervision and Monitoring of Pupils**

The Board of Management confirms that appropriate supervision and monitoring policies and practices are in place to both prevent and deal with bullying behaviour and to facilitate early intervention where possible.

#### **Prevention of Harassment**

The Board of Management confirms that the school will, in accordance with its obligations under equality legislation, take all such steps that are reasonably practicable to prevent the sexual harassment of members of the school community or the harassment of pupils or staff on any of the nine grounds specified i.e. gender including transgender, civil status, family status, sexual orientation, religion, age, disability, race and membership of the Traveller community.

10. This policy was adopted by the Board of Management in April 2014.

11. This policy has been made available to school personnel and published on the school website. A copy of this policy will be made available to the Department of Education and Skills and the Patron if requested.

12. This policy and its implementation will be reviewed by the Board of Management once in every school year. Written notification that the review has been completed will be made available to school personnel, published on the school website and provided to the Parents' Association. A record of the review and its outcome will be made available, if requested, to the Patron and the Department of Education and Skills.
